# MARITIME SAFETY NEW NORMAL, NEW PARADIGMS

— WEBINAR SERIES —

30 NOV - 1 DEC 2020

## INTERNATIONAL SAFETY@SEA 2020 WEBINAR SERIES

Join us at this year's annual gathering of members of the international maritime community and top practitioners as we focus on the theme **"Maritime Safety: New Normal, New Paradigms"**.

Hear from keynote speakers from the International Maritime Organization, The Nautical Institute, BIMCO and the International Association of Classification Societies, as we discuss topics like seafarers' mental health & wellness, ship safety and incidents, as well as ship management in the new normal across 4 sessions.

As part of MPA's commitment to promoting safety at sea, registration for this event is free.
